MINUTES OF MEETING

CALL TO ORDER:

The regular meeting of the Board of Directors of the Rutherford County Library System was called to order by Mr. Cody York, Chair, on Monday, December 1, 2025 at the Council Chamber, City of Murfreesboro.

ROLL CALL OF BOARD MEMBERS PRESENT:

Allison Belt
John Curtis
Beth Duffield
Angela Frederick
Sam Huddleston
Dina Piazza
Susan Quesenberry
Darrell Thomas
Jeff Wiencek
Cody York

=====
Mr. York welcomed a new member, Ms. Angela Frederick. She will be finishing Mr. Benjamin Groce term on June 30, 2027, representing the Town of Smyrna.

PUBLIC COMMENTS (action items on the agenda):

1. Heather Cook – urged the teaching of biblical values to children.
2. Josh Walker – criticized Mr. York’s unilateral engagement of the American Center for Law & Justice (ACLJ) and warned of potential personal financial liability.
3. Tatiana Silvas – presented hypotheticals regarding bypassing review processes and engaging partisan legal counsel without Board approval.
4. Kelly Hill – opposed removal of books that provide age-appropriate body-safety and gender-identity information, citing child-protection research.
5. Herbert Strong – requested a transparent review process, age-appropriate standards, and greater parental partnership for elementary materials.

PUBLIC COMMENTS (Non-Agenda items):

1. Jeffrey Wegner – opposed removal of LGBTQ+-related materials and highlighted existing parental-supervision policies.
2. Jessica Bruce – reminded the Board of the Library System’s mission and vision statements and the constitutional protections of intellectual freedom.

3. Matthew Giffin – requested removal of sexually explicit and pro-transgender materials from children’s sections.
4. Matthew Fee – accused Mr. York of repeated abuses of power and called for corrective action.

Ms. Belt moved to suspend the rules to permit the Board to address public comments (citing policy PM-500-J). Motion seconded and passed without objection.

Citing Tennessee Code 39-16-402, defining official misconduct as an unauthorized exercise of official power by a public servant with intent to benefit or harm another, Ms. Belt asked Ms. James if she had experienced any action by board members that fell under this definition?

Before responding, Ms. James, invoked whistle-blower protections in Board policy. Then proceeded with the following allegations that Mr. York, on multiple one-on-one meetings had:

- Ordered her on her second day of employment to remove specific titles from the collection while deliberately bypassing the Board’s mandatory formal reconsideration process;
- Requested detailed patron data (names, addresses, household composition, checkout history) that she believed violated privacy statutes and Board policy;
- Asked to review an open-records response before its release to the requester;
- Directed not to participate in Banned Book Week.

Ms. James stated that these instructions were verbal, occurred in private one-on-one meetings in Mr. York’s office.

Ms. James also mentioned that she filed two complaints against Mr. York at the County Attorney’s Office.

Ms. Quesenberry moved to return to the rules, Ms. Duffield seconded. Seeing no objection, the board returned to regular rules.

At this point Ms. Belt made a motion to remove Mr. York as Chair. Ms. Frederick seconded. Mr. York handed the gavel to Mr. Huddleston to preside the discussion. Mr. Huddleston then proceeded to acknowledge Mr. York to address these allegations.

Mr. York’s response to Ms. James accusations:

- Mr. York denied all accusations categorically.
- Denied ever ordering any book removed; insisted he only expressed personal opinions that certain titles failed collection standards. He emphasized that the removal of books could only occur through formal staff weeding or a board vote after a public process. Accused Ms. James of misinterpreting his opinions as directives and of removing titles on her own authority.
- Denied requesting any identifiable patron data; claimed he only asked for fully anonymized, aggregated statistics (addresses only for out-of-county analysis, never linked to specific checkouts, names, or personal details to comply with privacy rules), to identify and verify out-of-county users of e-cards and services. This would enable enforcement of a new Board-adopted policy requiring a \$25 fee for out-of-county library

cards, ensuring non-residents pay appropriately while preventing fraudulent use of invalid or non-Rutherford addresses.

- Denied delaying or altering any open-records response; said reviewing it as Chair was normal and proper.
- Admitted telling Ms. James not to participate in Banned Books Week as legitimate guidance to avoid antagonizing funding bodies.

Mr. Huddleston called for a roll call vote on the motion to remove Mr. York as chair.

NEW BUSINESS

■ **Proposed budget for FY 2026-27**

Ms. Duffield reported that the Budget & Finance Committee met November 20, 2025, to review the director's proposed budget, which requests an approximate 30 % increase following three consecutive years of flat funding. Noting the significant increase and the need for contingency planning in the event funding bodies do not approve the full request, Ms. Duffield moved to refer the proposed budget back to committee for additional review and refinement. Mr. Huddleston seconded. All present voted "aye". Motion carried.

Ms. Kate Huddleston will provide the board a copy of a document comparing the effectiveness of the RCLS with peer/regional library systems such as Memphis and Chattanooga, and a salary survey comparing library staff salaries across systems.

■ **\$10,000 donation for the Smyrna Public Library**

Mr. Huddleston moved to accept the \$10,000.00 donation from an anonymous donor who wishes that a plaque with her dead husband's name be made and place in Smyrna Library. Remainder of funds is designated for Smyrna Library projects via the RCLS Foundation. Mr. Wiencek seconded. All present voted "aye". Motion carried

■ **Letter from the Secretary of State, Tre Hargett, dated October 27, 2025.** Included in the board packet, for the board's information only.

■ **Director's Inventory Report**

The children's section comprises approximately 79,198 materials across all library branches. Staff, primarily about 20 of the system's 78 employees, conducted physical reviews of roughly 60,000 items by scanning and relocating them to the cataloging office for evaluation, adhering to criteria from Secretary Hargett's letter (including Tennessee's age-appropriateness standards for schools and relevant executive order language). The remaining 19,198 materials (about 24% of the collection) could not be physically assessed, as they were currently checked out to patrons, cataloged as lost/missing, or otherwise inaccessible per Koha records.

From the reviewed 60,000 items, approximately 2,200 titles were flagged for management-level review by the collection development manager and Ms. James, focusing on potential violations of the specified standards. Recognizing the volume and tight timeline, Ms. James requested and received a two-week extension from the Tennessee State Library and Archives (TSLA) beyond the original January 19, 2026 deadline, aligning with the Board's February 2, 2026 meeting.

The flagged titles remain in a "cataloging" status in Koha (not withdrawn or visible on the OPAC) pending Board decisions. Ms. James committed to providing the Board with

a running shared Google Sheet (via library email accounts) listing titles, purchase dates, authors, alignment checks against the two referenced documents, staff recommendations, and her own recommendations. Initial data (covering progress to date) will follow shortly, with real-time updates as reviews advance, enabling Board members to access and review books, both online or physically at the cataloging office, if desired.

Ms. Quesenberry moved to table board's action (reconsideration process) on the Secretary of State's letter dated October 27, 2025 until the February 2, 2026 meeting. Mr. Thomas seconded. Those who were present voted "aye". Motion passed.

Let the Minutes reflect that Ms. Duffield recognized the process as "challenging" and praised staff for their "yeoman's job" in completing the initial review despite constraints. She noted, however, the Board received notice of the report (and its incomplete status) only "an hour before the board meeting," which limited preparation time. She suggested submission of the report to the Board at the end of December 2025 to allow adequate Board review, while committing to provide "weekly updates" on progress to avoid similar last-minute surprises.

Ms. James agreed, assuring the Board they would receive the report by end-of-December and committing the shared Google Sheet of the progress.

Let the Minutes reflect that Ms. Frederick requested when the final list is delivered to the Board by the end of December 2025, Ms. James also include an estimated replacement cost or total collection-value impact of the titles under consideration for removal. Ms. Frederick noted that the Board needs to understand the financial consequence of any potential withdrawals, particularly in light of the collection-development policy's one-for-one replacement requirement and the current deficit in the materials budget. Ms. James acknowledged the request and agreed to provide the cost information alongside the shared list of titles.

The meeting adjourned at 9:00 p.m.

From November 10th through 15th, MGL staff shifted and rearranged over 10,000 items to create a more cohesive and welcoming library environment. Patrons now "grow with the collection" as they move through the building. This change has been warmly welcomed by patrons of all ages, eased browsing and shelving efforts, and increased circulation statistics by 30% from last year.

Bookmobile 2:

We have made our first deposit of \$2,525 to begin renovations on Bookmobile 2. Renovation work is scheduled to begin in March at OverVanding Solutions in Chattanooga, with an estimated 6–8 week turnaround and a projected in-service date in late spring. In preparation for the build, a battery cutoff switch was installed to address parasitic battery drain and ensure the vehicle remains reliable while not in use.

November Closure Impact

The library's closure has deeply affected the community. Over 500 children and families lost access to daily storytimes, and 50 neurodivergent youth missed Sensory Storytime. Two Girl Scout troops (42 girls) and the Spanish Language Bible Study group (80 members) lost their meeting spaces. Adults were impacted by the cancellation of Social Security and Estate Planning workshops (40 attendees), Vanderbilt Medical Center screenings (10), and wellness programs like Yoga (20). Cultural and creative programs such as the Writing Hour (10), Geocaching Film Festival (50), and the Pied Piper performance with an anticipated 300 attendees were lost. This closure also resulted in roughly 2,443 patrons not visiting the library and 190 computer session hours.

At the FOSL December 8th, 2025, Board meeting, the FOSL Board presented Outgoing FOSL President Theresa Pickett a plaque in appreciation of commitment and service. Theresa's last day as FOSL president is 12.31.2025.

In the Summer of 2011, SPL Volunteers, Kim Shepherd and Theresa were asked by then SPL Branch Librarian, Carol Kersey to help revitalize the Friends of Smyrna Library. Carol said it would only be 1 or 2 years of us doing this. (Carol and I have laughed about this statement of hers many times since) They met for their first meeting in July 2011.

In 2011, Kim and Theresa started out with all of the FOSL records in a box. Since then, FOSL now has their own cabinet at SPL for their use. We have a FOSL general email. We also have individual FOSL emails for the President, Treasurer and Grant Writer. Plus, our records are on Google Docs. We have a FOSL phone, Facebook and Instagram accounts. Plus, FOSL has a PayPal account to provide an additional way to receive payments for membership, used book sales, etc. As Theresa transfers things over to the next president, she wishes it was a box that she just had to hand over to Ginny instead of dealing with all the passwords and technology. But that is the way of the world and FOSL will continue to try to stay with the times but at the same time do what is good for our nonprofit.

1st term on the board: 7/2011-2017

Served as Vice President 2011-2013

Served as President-2014-2017

After going off the board in 2017, she stayed an active FOSL member by managing the FOSL Facebook page and FOSL email and some volunteer scheduling for events

2nd term on the board: 1/2020-2025

Served as Secretary from 3/2020-2021

Served as President from 2022-2025

Theresa will continue to keep active as a FOSL member managing the FOSL Facebook and Instagram Pages, keeping the FOSL bulletin board up to date at SPL and making the FOSL payment envelopes. Plus, she plans to volunteer for future FOSL events when able.

December 2025 and January 2026**

RCLS Foundation

The next meeting is scheduled for January 21, 2026. The slate of officers is on the agenda.

Smyrna \$10,000.00 donation

Procedural Correction and Resubmission: The Smyrna Library is the recipient of a \$10,000.00 donation. The Board voted to accept the funds at the December meeting. In order for the Board to accept the updated PM 308 form, the Board should vote, at the January 26 special called meeting, to amend the vote for the December meeting and to accept the updated PM 308 Form as per section M. Please see letter dated January 8, 2025.

2026-2027 Budget

The Budget and Finance Committee approved the staff recommended proposed budget for the upcoming fiscal year. The proposed budget is scheduled to be approved at the special called meeting January 26.

Secretary of State Hargett mandated Juvi materials review.

The mandated review of all juvenile materials is now complete. The spreadsheet was submitted to the Board December 18, 2025, meeting the December 31 deadline. To ensure compliance within the required 60-day window, the Board Chair authorized temporary emergency closures of the Linebaugh and Smyrna branches for one week each; all other library locations remained operational. As the fifth largest library system in TN, 60,000 books were reviewed in the allotted time by RCLS staff.

I recommend that all reviewed materials remain within the collection. Based on the assessment, I further recommend that 444 titles be moved to the Young Adult collection and six titles to the Adult collection, as detailed in the submitted spreadsheet.

Board Certification

Please consider completing the trustee certification if not previously done. It is online and can be done at your convenience. Please go to <http://tsla.libguides.com/trusteecert> for more information.

Subject: Procedural Correction and Resubmission: Form 308 (Naming Rights) – Freeman Donation

Dear Mr. York,

Thank you for your diligent review of the documentation regarding the naming rights request for the Smyrna Public Library. I appreciate you bringing the procedural discrepancy concerning **Policy Manual (PM) 308, Part M** to my attention.

Background and Procedural Error

On September 19, 2025, I had the privilege of meeting with Alice Freeman at the Smyrna Public Library. Mrs. Freeman, a 93-year-old former staff member and lifelong patron, visited specifically to donate \$10,000 to memorialize herself and her late husband, Nathan.

During our conversation, we discussed using these funds to support the upcoming study room project. While Mrs. Freeman enthusiastically agreed to these terms, **I neglected to properly edit the terms section of the PM 308 PDF form** prior to her signing it that day. Consequently, the version presented during the December meeting lacked the specific written justifications and terms required by policy. To ensure full compliance with Part M, I met with Mrs. Freeman again following the December meeting to have the corrected form—now including the full terms—properly executed.

Justification for Reconsideration

We recognize that the initial presentation to the Board was technically improper. However, we are eager to rectify this for the following reasons:

- **Donor Intent:** This donation represents the last of Mrs. Freeman's savings. She wishes to leave a lasting legacy in the library she served and loves.
- **Community Impact:** These funds are vital for the completion of the Smyrna study room project, which will provide immediate benefits to our patrons.
- **Organizational Reputation:** Given Mrs. Freeman's age and her history with the library, returning the funds or rejecting the gift due to a staff administrative error could lead to significant public misunderstanding and potentially negative press for the system.

Proposed Next Steps

To align with your leadership and the requirements of PM 308, I respectfully request that the Board consider the following at the next meeting:

1. **Amend the December Minutes** to reflect that the initial vote was based on incomplete documentation.
2. **Conduct a Formal Revote** using the newly completed and signed Form 308, which now contains the full justification and terms as required by policy.

It is our priority to ensure that Mrs. Freeman's generosity is honored in a way that is both legally sound and procedurally correct. We want to ensure she feels valued by the institution she has supported for decades.

Thank you for your guidance in ensuring our policies are upheld. I am available to discuss this further or provide the updated documentation at your convenience.

Best regards,

Cassandra Taylor

Branch Manager

LOOKING DOWN THE ROAD... WHAT IS AHEAD IN THE NEW YEAR FOR YOUR LIBRARY?

The new year bring opportunities for growth with your library and your board.

Budget proposals are due in the next couple of months. Does this offer your library the opportunity to add more staff? More operating hours? Consider a new program or service? Review the library's strategic plan and, in the absence of one, discuss the library's goals for the next several years and what steps, including budget adjustments or additions, could help the library work toward those goals.

Be sure to keep spending material funds. The deadline for spending is March 31.

Be sure that library staff are getting continuing education hours to be compliant with the library service agreement.

Director's Report Regarding the Tre Hargett Letter Received October 31, 2025

This document serves as the required Director's Report in response to the letter received from the office of Tennessee Secretary of State Tre Hargett. It summarizes the collection review process and provides a supporting recommendation.

I. Summary of Collection Review

RCLS staff diligently completed a comprehensive review of the juvenile materials collection within the 60-day time limit provided. The RCLS collection comprises approximately 79,198 children's and juvenile materials across all library locations within Rutherford County.

- **Materials Review:** During November, staff physically initially reviewed 60,000 accessible materials present on library shelves.
- **Materials Unreview (Circumstantial):** The remaining 19,198 items are currently checked out to patrons or categorized in the library catalog as lost or missing, rendering them inaccessible for physical initial review.
- **Materials Referred for Further Review:** Staff submitted materials evaluated during the initial review process and have presented them to the Collection Development Manager and Director for additional evaluation. These materials are have been moved to the status of "Cataloging" in KOHA. The materials are not viewable in the OPAC and have not been withdrawn from the collection.

II. Recommendation for Board Action

The Director recommends that the Board of Trustees initiate the request for reconsideration process as required by Tre Hargett. The recommendation is that all materials remain available within the library's collection. Of the materials reviewed, 444 titles are recommended for relocation to the Young Adult collection. Six titles are recommended for relocation to the Adult collection.
